

Game Design Template

Each game consists of two identical boards. Parts 1-4 are board 1, and 5-8 are board 2. The playing surface, backstop area and cups are NOT customizable.

The backboard areas #1 & #5 (viewable from behind while playing) are suitable for large pictures or other images. Parts #3 & #7 are suitable for smaller images. Any non-copyrighted image can be added if sent to us in electronic form by email.

Parts #4 & #8 each represent both sides of the same board. Parts #2 & #6 are covered with the WashOut logo and printed rules, and unusable for additional images.

Write in the color you would like for each of the numbered pieces on the left.
